Welcome to botaniCa

botaniCa is a signature concept with franchise value committed to serving Real Food to Real People with Real Value in Real Time, in a fresh, fun atmosphere led by amazing associates. The first botaniCa restaurant was born in Saskatoon in 2001, since then 7 other restaurants have been added to the family, Halifax, Regina, Lethbridge, Red Deer, Winnipeg, Calgary and recently Edmonton. The philosophy of this restaurant is to be one that is focused and driven by customers. This is why in early 2003 we launched a menu contest across Canada for the search of your favorite recipes. Many Canadian responses to our contest and the winning recipes are featured on our Lunch/Dinner menu. We are in the business of serving Real Food for Real People made by Real People while being truly Canadian. Your comments are greatly appreciated, and The Team of botaniCa hope you enjoy your experience in our restaurant.
