Welcome to the Citadel Halifax Hotel and in particular our Botanica restaurant. At Botanica, we strive to serve "real food, really well". We have created our menu with the greatest of care and with YOU in mind. We have selected comfort foods that we think will make you feel like you are at home, which is our ultimate goal. We hope that you will find the dish that you are looking for, however if you do not, please ask your server. If we have the ingredients, our culinary team will be delighted to create your dish for you.

ENJOY!
