

CITADEL

HALIFAX HOTEL

We are Your Pet Friendly Hotel

We'd Miss Them Too!

Most of us being pet owners ourselves, we know how important it is to find a hotel that embraces our pets. Your pet certainly won't leave the hotel without lots of attention from our associates and management alike.

The best part about being Pet Friendly is that there is no extra charge to bring Spot with you! Now that's dog-gone good!

For more information visit:

Make the Citadel Halifax Hotel your Pet Friendly destination.

What pets love most is to be with their families - and frankly, we'd miss them too if they weren't with us!

❖ We welcome small and large pets
